PERSONAL PROJECTS

Coding projects (10/2020 - Present)

- I built a budgeting website with my father as we took a 100-day coding course through Udemy.

Corvette maintenance/building (07/2019 - Present)

- This is a personal project of mine. I inherited a 2013 corvette from my grandpa, and I maintain the car, work on the engine (oil changes, spark plug replacements, coolant replacement), put on exterior mods such as side skirts, spoiler, different wheels, etc.

Half-Marathon Training (01/2024 - Present)

- Training for the spring Chicago half marathon
